Equipped with many of the advanced performance features that have made Sharp's colour MFPs so successful, the MX-M564N black & white MFP is perfect for all busy offices. Combining colour network scanning capabilities with powerful print, copy and fax features, the MX-M564N has all the functionality and speed you need to put it at the heart of your office operation. Optional Sharp OSA allows seamless integration with cloud applications developed by Sharp's Technology Partners and an optional Wireless LAN Adaptor enables connection to wireless networks. The 56 ppm MX-M564N supports A3-wide network printing and copying, offers fast scanning via the Reversing Single Pass Feeder, produces superb image quality and has versatile document filing; all supported by industry leading security. Productivity can be boosted further by adding fax functionality, extra security, additional paper capacity and a range of professional finishing options. The optional retractable keyboard makes data entry and emailing quick and simple. And the 7.0" colour LCD touch-screen control panel allows documents to be previwed. IT Administrators will appreciate the Remote Access Interface which enables the control panel to be viewed and operated from across the network, plus Sharp's advanced device management makes it easy to control usage and costs. The Energy Star-certified MX-M564N uses Sharp's latest energy-saving technology. Everything - including consumables, power management and internet architecture - is designed to minimise energy consumption, reduce running costs and support environmental objectives.
